Who is eventphotography?

Eventphotography is an accredited member of the Australian Institute of Professional Photographers. Our service is unique. We have a team of experienced portrait photographers that come to you. But unlike traditional portrait photographers, we make our images available online at a secure, password protected website. Here, our clients have individual access to all the images taken during their centers photo sessions. Simply download your images as often as you like... to print, share with friends or keep on file.
